

Water jet pump type 603

Water jet pump for taps with threaded fitting

- » Brass, nickel-plated
- » Optionally with non-return valve (+Rü)

Order numbers:

Type 603 / 8 Nickel-plated brass, for 3/8" thread, without non-return valve

Type 603 / R8 Nickel-plated brass, for 3/8" thread, with check valve

Type 603 / 2 Nickel-plated brass, for 1/2" thread, without check valve

Type 603 / R2 Nickel-plated brass, for 1/2" thread, with check valve

Type 603 / 4 Nickel-plated brass, for 3/4" thread, without check valve

Type 603 / R4 Nickel-plated brass, for 3/4" thread, with check valve

Type 603 / 1 Nickel-plated brass, for 1" – thread, without check valve

Type 603 / R1 Nickel-plated brass, for 1" – thread, with check valve

Type 603 / P Nickel-plated brass, for Perlator fine thread, without check valve

Type 603 / RP Nickel-plated brass, for aerator fine thread, with non-return valve

Thread diameter:

3/8" thread = 16.2 mm Ø

1/2" thread = 20.9 mm Ø

3/4" thread = 26.4 mm Ø

1" thread = 33.2 mm Ø

Perlator fine thread M22 x 1 = 22.0 mm Ø
